Rollbots

Starts Thursday 8 October at 16:30

Welcome to the Flip City, home of the Rollbots! Armed with specialised BotMods, these remarkable bots can retract their limbs, curl up into a ball, and roll like mad! It's a twisted rollercoaster world with 11 different rollbot tribes that keep the city rolling.

The show follows Spin, the fastest RollBot in Flip City and the members of the Flip City Police Department (FCPD), as they battle Flip City's most wanted bot, Vertex, and his henchbots.

Get ready for a high speed roll around the tracks!

Shelldon

Starts Sunday 4 October at 08:00

Let Shelldon and his friends Herman and Connie take you on a journey into the underwater world where fun and adventure await you!

Learn more about marine life, especially shell creatures! The stories talk about sports, music, friendship and adventure and take place at Shell Land, a friendly town in the shallow waters off the Andaman Islands. The shell creatures are real and interesting characters who have personalities, and their own likes and dislikes. They feel, think, suffer pain, and experience joy. Much like us humans, these creatures have their very own cultures, communities and lifestyles.

Together, these three friends learn how to deal with the growing pains and day to day problems that young adults face. In the process they find themselves caught in situations that lead to exciting adventures.

Ben & Izzy

Starts Tuesday 20 October at 16:00

Ben & Izzy follows the adventures of two kids: one from Jordan and the other from the United States. When the boys first meet at their grandfathers' site, the summer vacation looks like it's going to be tough – right away the boys just don't seem to like each other.

While wandering through Petra one day, Ben and Izzy stumble upon a tomb, releasing the spirited genie named Yasmine. Through Yasmine's powers and her determination to save the world's precious heritage, the three are instantly whisked away back into time.

In each episode, the already wealthy Mr Wells is chasing down precious relics by using his own time travel tricks. His goal is to steal as many items from the past as he can, so that he can return to the present and make a fortune selling them on auction!

While venturing through time and place, learning about the past and its value, Ben and Izzy also grow to appreciate each other and their respective cultures.

The lesson from each episode: 'We don't have to be the same to get along!'
